North Queensland Accessible Accommodations

Welcome to a world of inclusive comfort and convenience with our accessible accommodation options. Designed with your clients' needs in mind, these spaces are thoughtfully crafted to ensure a seamless and enjoyable experience for every guest.

Castaways Resort and Spa, located in Mission Beach, are committed to ensuring that all our guests have a comfortable and inclusive experience. To cater to the needs of guests with mobility challenges, they offer two wheelchair-friendly rooms equipped with wheelchair-accessible showers, handrails, and a shower chair. The property is designed with accessibility in mind, featuring a lift to all floors and a disabled bathroom in the restaurant. Castaways also provide disabled parking right out front, and welcome support animals with proper certification. Your clients' comfort and convenience are top priorities at Castaways Mission Beach.

Located in Port Douglas, **Peninsula Boutique Hotel** is dedicated to providing a welcoming and inclusive environment for all guests. The ocean view rooms are designed with accessibility in mind, ensuring that wheelchair users can enjoy stunning views of the ocean without any hindrance. The restaurant, pool, and most common areas are wheelchair-friendly, featuring ramps and an elevator for added convenience. They offer ample accessible parking, and whilst transportation is not provided, staff will assist in arranging it upon request. Your client's comfort and ease of access are of utmost importance at Peninsula Boutique Hotel.

Coconut Grove Port Douglas is committed to ensuring that every guest enjoys a seamless and accessible experience throughout the property. The dedication to inclusivity is evident in the wheelchair accessibility of the entire property, with a convenient lift servicing all floors. The only minor exception is a single step at the entrance to the apartment, which can easily be overcome with the ramps available. At Coconut Grove it is understood that sometimes additional support is needed, which is why they offer mobility aids such as shower chairs, walkers, and commodes for your comfort and convenience. Your client's stay is about relaxation and peace of mind, and Coconut Grove are here to make it as accessible and enjoyable as possible.
