Product Description

50 Words

Wildlife Habitat Port Douglas is an advanced eco-certified park that allows visitors and Australian wildlife to interact in five open and spacious recreated ecosystems. With a brand new encounter experience, 'Swim with the Salties' is a sure way to get your heart racing!

100 Words

There's nothing quite like the Wildlife Habitat Experience. Get the opportunity to hand-feed iconic Australian Wallabies and Kangaroos and even catch a glimpse of the legendary Southern Cassowary. With a brand new encounter experience, 'Swim with the Salties' is a sure way to get your heart racing!

This award winning and advanced eco certified wildlife sanctuary allows guests to interact with Australian animals in their recreated natural environments. Explore five spacious unique environments, Wetlands, Rainforest, Savannah, Nocturnal and Woodlands, and meet with the animals that call these diverse places home.
