Company Profile

Grand Pacific Tours is the New Zealand Luxury Coach Holiday Specialist. Our range of coach holidays is aimed primarily at the mature age traveller, however, Grand Pacific Tours offer a scope of special interest tours that have appeal to travellers of all ages. The company is 100% Australian owned.

Managing Director, Peter Harding started the business in 1996 with a strong background in the New Zealand wholesale market with particular strengths in coach touring. Grand Pacific Tours is now recognised as the market leader in the rapidly growing senior demographic and boasts a dedicated team that includes a strong, experienced management team and an operations team in New Zealand. The company has been designed to service the travel industry with the most attractive range of New Zealand coach holidays available that allows travellers the opportunity to enjoy a quality experience representing excellent value for money.

Grand Pacific Tours' company policy from day one has been to keep margins to a minimum and send more people on tours that will in turn recommend this style of holiday to their friends and family.
